## PATRONS CIRCLE

**St Michael's Hospice is a much loved and respected local charity that enables people living with serious, advanced illness to live as fully as possible. The Hospice provides compassionate, expert care at the end of life to over 1,600 people a year and supports people across Hastings and Rother through the challenges of bereavement and grief.**

The Patrons Circle aims to generate funds to support the complementary services provided to our patients. These services include spiritual support, bereavement care, social work and physiotherapy, as well as more practical areas such as maintaining the Hospice gardens. This holistic approach makes St Michael's Hospice the special place it is.

Since receiving our first patient in 1987, the Hospice has cared for in excess of 19,000 patients. The cost of running the Hospice and providing the full range of services to our patients is £6million a year. With no more than one third of this being provided by the NHS we need to raise the balance, over £4.3million, or nearly £12,000 per day, from voluntary sources. This demonstrates the great reliance we have on our local community through fundraising events, our lottery, retail stores, legacies and donations.

We value your support and promise to respect your privacy. We only want to send you the information you would like to receive, be it through the post or by email. We would also like to know if you no longer want to hear from us.

**"It goes without saying that the Hospice is a good local cause and having served nine years on the Board I know how important regular donations are to the Hospice. Being a Patron fulfils this for me, and there are perks - the special events put on exclusively for the Patrons. If you can afford to do so I urge you to join the Patrons' Circle."** Angela Chivers, Hospice Patron
