Pay for a Day

We all have important days that mean something to us – birthdays, anniversaries, graduations, the list really is endless - but here at St Michael's Hospice, every day is special.

Since 1987, we have provided free of charge specialist palliative care services to people with life-limiting illnesses and their families throughout Hastings and Rother. Our building has a fascinating 100 year history but it's what happens inside that makes it truly amazing.

Our flexible Pay for a Day scheme is an opportunity for individuals and organisations to really make a difference by supporting a day of our services. There are five options to choose from, so whether you are an individual, family, group or business, you can be sure that your contribution will bring a huge benefit to the lives of the people we support.

Richard Milton Day

"We'd never been in the Hospice before and were not sure what to expect. The care Rich, and all of us, received was unforgettable.

Some of his friends decided to run the Hastings Half Marathon to raise money for the Hospice. With the help of so many people raising funds through pool competitions, runs, weddings, charity balls, raffles and donations, we reached £1,000 then £2,000, £5,000 and we just kept going! We learnt that the cost of running the Hospice for just one day is £10,000*. And that was it. We had our mission! On 'Richard Milton Day' we can stand and remember him with such pride and love as we achieved one of his last dreams. Keep shining Rich!"

Jess Milton, Richard's niece.

Why Should You Pay for a Day?

Each year we must raise around £3.7million to provide our services to those with life-limiting illnesses throughout Hastings and Rother. This is no easy task and we simply would not be here without your support.

Your Special Day

You can choose the date of your special day and can either make a one-off donation or pledge to raise your target amount over a period of time. We are happy to offer advice to help you reach your target.
