# TREE OF REMEMBRANCE

The Tree of Remembrance offers family and friends the opportunity to remember their loved ones with a hand-made copper leaf. The tree is made from reclaimed timber and adorns one wall in the Hospice reception area outside the entrance to Day Services.

**“A beautiful way to support the Hospice, while remembering my lovely Dad”** Relative

The copper leaf will remain on the tree for 12 months initially\* and the names of all of those remembered will be added to the Tree of Remembrance book located next to the Tree. All the leaves have been hand-made by local copper-smith, Sian Evans, who also donated the copper title plaque which sits alongside the tree.

All leaves are species indigenous to the UK and you can choose from: Beech, Birch, Holly, Oak, Poplar or Willow.

Willow

The tree looks and sounds amazing when covered in copper leaves, bringing the beautiful Hospice gardens indoors. You are welcome to visit the tree seven days a week from 8am to 8pm.

## About St Michael's Hospice

St Michael's Hospice provides high quality, responsive palliative care and bereavement support across Hastings and Rother, working collaboratively with others to improve end of life care for all. The cost of running the Hospice and providing the full range of services to our patients is over £6million a year. With around one third being provided by the NHS we need to raise the balance, circa £4.3million, or over £12,000 per day<sup>1</sup> from voluntary sources. This demonstrates the great reliance we have on our local community through donations, fundraising events, our lottery, retail stores and legacies.

\* You can continue for further 12 month periods if you wish

<sup>1</sup> St Michael's Hospice Annual Report 2017/18

The Tree of Remembrance is available to all. There is no expectation for donations to be made. We wish for everyone who would like to, to be able to dedicate a leaf to a loved one. If you would like to make a donation it will be gratefully received.
